 ICE CUBE FROST™

Ice Cube's compact, three-dimensional grid creates a geometric diffusion effect with its subtle dimension. This décor's frosty texture is reminiscent of a freshly built igloo.

PATTERN TO SCALE

Ice Cube Frost is only available with a matte finish on the textured side.

Impressions are embossed into clear resin. Add-ons and other finishes are only available on the non-textured side of this décor.

To see more images of this décor, visit the [Lumicor website](#).

SUSTAINABLE FEATURE | Panels featuring this décor contain a minimum of 50% recycled content.

Not all decors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is ± 15%. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.
