

Décors | Luminous

SUNSET™

Add striking color to solid surface applications with Luminous décors, a versatile collection made up of over 60 dramatic hues. Specify up to three layers of color to create custom shades.

PATTERN TO SCALE

This décor is not recommended for exterior use.

This décor is not available with a frost finish on the film side.

To see more images of this décor, visit the [Lumicor website](#).

Not all decors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is $\pm 10\%$. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.
