DARK MATTER™

Price Group: \$\$\$

More colors available

Deep blue metallic flakes scatter in starry ribbons like constellations. Dark Matter often appears black and only reveals its navy color when hit with light.

PATTERN TO SCALE

This décor is produced using a hand applied technique. Layout, coverage, and flake size will vary slightly from sheet to sheet due to the artisan nature of the manufacturing process.

To see more images of this décor, visit the [Lumicor website](#).

Not all decors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is ± 10%. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.
