Sustainably and ethically harvested in Mexico, this décor is made with unique, artisan tools and elements that are an ancient art preserved by the Otomí craftspeople in Mexico.

PATTERN TO SCALE

All natural décors are produced using a hand applied technique. Layout and coverage will vary slightly from sheet to sheet due to the artisan nature of the manufacturing process. Some products use natural materials that can change color over time and will vary in size, shape, color and texture within a single sheet. Colors may vary with harvest season.

SUSTAINABLE FEATURE | This décor features paper made of sustainably harvested tulle and directly supports artisan families through fair trade practices.

Not all decors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is ± 10%. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.
