Price Group: \$\$\$
More colors available

Slices of natural bamboo are dyed to a rich ebony color. Harvested from sustainable farms, Bamboo Rings Ebony blends a whimsical aesthetic with eco-conscious design.

PATTERN TO SCALE

All natural décors are produced using a hand applied technique. Layout and coverage will vary slightly from sheet to sheet due to the artisan nature of the manufacturing process. Some products use natural materials that can change color over time and will vary in size, shape, color and texture within a single sheet. Colors may vary with harvest season.

Thermoforming is not available for this décor.

SUSTAINABLE FEATURE | Bamboo's rapid growth rate, low water requirements, and light weight make this renewable resource a mainstay of environmentally friendly design.

Not all décors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is ± 10%. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.
