## PALAPA GRASS™

Price Group: \$\$

More colors available

Skinny, grass-like leaves from the coconut tree are layered by hand in this warm khaki décor, creating an organic sense of privacy when used as partitions. Formerly named Tiki Grass.

PATTERN TO SCALE

All natural décors are produced using a hand applied technique. Layout and coverage will vary slightly from sheet to sheet due to the artisan nature of the manufacturing process. Some products use natural materials that can change color over time and will vary in size, shape, color and texture within a single sheet. Colors may vary with harvest season.

To see more images of this décor, visit the [Lumicor website](#).

**SUSTAINABLE FEATURE** | The coconut tree is considered a zero-waste plant, as all parts of the tree are usable, and thrives without fertilizers or pesticides.

*Not all decors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is ± 10%. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.*
