PATTERN TO SCALE

All natural décors are produced using a hand applied technique. Layout and coverage will vary slightly from sheet to sheet due to the artisan nature of the manufacturing process. Some products use natural materials that can change color over time and will vary in size, shape, color and texture within a single sheet. Colors may vary with harvest season.

To see more images of this décor, visit the [Lumicor website](#).

Not all decors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is ± 10%. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.
