

**Décor | Natural**
**Price Group: \$\$**

Inspired by the traditional Japanese materials of woven hemp and soft rush, this bamboo-based décor is evocative of Eastern interiors with a modern flair.

PATTERN TO SCALE

All natural décors are produced using a hand applied technique. Layout and coverage will vary slightly from sheet to sheet due to the artisan nature of the manufacturing process. Some products use natural materials that can change color over time and will vary in size, shape, color and texture within a single sheet. Colors may vary with harvest season.

**SUSTAINABLE FEATURE** | Bamboo's rapid growth rate, low water requirements, and light weight make this renewable resource a mainstay of environmentally friendly design.

*Not all decors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is ± 10%. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.*
