## DIGITAL HI-RES BEETLES™

This high resolution décor showcases a pattern of detailed insect shells in a translucent print. Digital Hi-Res prints offer the highest image quality and vibrance.

PATTERN TO SCALE artwork by Christopher Marley, pheromonegallery.com

Digital Hi-Res décors are printed with translucent inks. White areas of the design will appear transparent in the finished panel unless specified to print with white ink.

Thermoforming is not available for this décor.

To see more images of this décor, visit the [Lumicor website](#).

*Not all decors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is ± 10%. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.*
