# DIGITAL HI-RES CUSTOM™

**Price Group:** $$$$$

Upload your own print-ready artwork to create a fully custom translucent printed panel. Digital Hi-Res prints offer the highest image quality and vibrance.

YOUR IMAGE HERE

Digital Hi-Res décors are printed with translucent inks. White areas of the design will appear transparent in the finished panel unless specified to print with white ink.

Thermoforming is not available for this décor.

For more information, visit the　　　　　.

*Not all decors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is ± 10%. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.*
