BAROQUE MOON™

A subtle silver shine and an elegant contrast in texture are the foundation of Baroque Moon's antiquated yet sophisticated style.

PATTERN TO SCALE

This décor has a Side A and a Side B that are different from each other. In standard production, Side A is dominant. If you require Side B to be the dominant face of the panel, please indicate so on your quote request.

To see more images of this décor, visit the [Lumicor website](#).

Not all decors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is ± 15%. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.
