TREMOR GOLD™

Price Group: \$\$

More colors available

Rhythmic threads create a subtle pattern reminiscent of waves recorded by a seismograph. Irregular quakes add small scale visual texture with a pop of gold.

PATTERN TO SCALE

Throughout a sheet there can be several weaving thread joints that create variations in the fabric.

When specified in the vertical direction, this décor is available in standard size sheets only (48" x 96").

Not all decors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is ± 10%. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.
